On behalf of ATI Telecom International, I hereby endorse SAIT and the Telecom Technology program. I believe this is an exciting new program that will challenge and prepare the students for an exciting career. Our company is delighted to be a member of the Advisory Board and we look forward to working together to attract new students into the Telecom program and to have the opportunity to offer current and future students a career with ATI Telecom.

Sincerely,

Ron Edwards
Director, Canadian Operations
ATI Telecom International Co.
